

The Arizona Safe Haven Law has changed.

The Safe Haven law now allows a parent or designated agent to anonymously relinquish an unharmed infant up to 30 days old, to a designated Safe Haven provider.

The age limit has changed from 3 days of age for the infant, to **30** days of age.

Please educate your staff and update your policies to reflect this change.

For 24/7 crisis assistance call 1-866-707-2229.

Contact Heather Burner for questions or for updated Safe Haven Training.
